

INTRODUCTION

Digital learning is replacing traditional educational methods & implementing ICT in education has a very special impact on education. Use of ICT presents great opportunities and innovations to improve the educational experience of learners and at the same time teachers need to constantly upgrade themselves to learn about advances in their domain, and to understand the best practices for facilitating best possible learning. The most recent influence of the ICT in the field of education has been fully recognized as e-learning in these unprecedented times accentuated by deadly corona virus that has paralyzed the nerves of whole world.

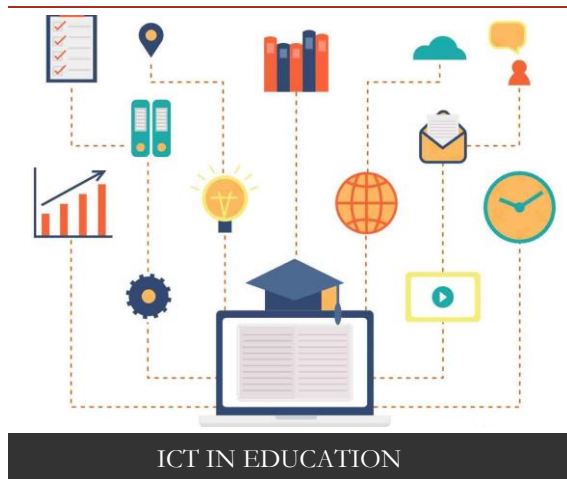

WHY TAKE PART IN QUIZ?

Opportunity to test your knowledge and skills against thousands of other participants including teachers and students across India in general & UT of J&K in particular

QUIZ DATE & TIME

10th JUNE 2020 11:30 AM

Duration: 45 minutes

ABOUT THE QUIZ

Government Degree College Women Sopore envisages to test the people's knowledge and interest in the use of ICT in education. So, under the aegis of the Department of Education & Computer Applications, an online quiz competition is being organized by our college. The quiz is open to all. This online quiz is organized for encouraging awareness among the teachers and learners for technological innovations and digital pedagogies and to explore the teachers' ICT competency and usage of ICT in teaching practice
